

Sponsorship Opportunity

AfGWG Law Enforcement Event

25 & 26 January 2010—Four Points Sheraton
Ebene Cyber City—Mauritius

Afrinic, the Regional Internet Registry (RIR) for Africa, has a mission to support Internet technology usage and development and to promote Internet self governance has set up a two-day meeting, participants will have the opportunity to:

- Learn about current challenges with Internet-related crimes
- Learn about steps being taken by law enforcement agencies
- Discuss the ways in which these challenges manifest in different countries, and potential efforts to combat such challenges;
- Exchange ideas about the formation of a Internet Law Enforcement Working Group
- Learn about Internet Governance as it relates to Cyber Crime and Security issues
- The role of Afrinic and its activities to maintain security and stability of the Internet
- Gain more insight into the Internet Ecosystem and its governance
- Learn how government agencies can participate in the policy development process to ensure their voices are heard regarding Internet protection issues.

The meeting will be a closed meeting by invitation only and reserved exclusively for government officials and regulatory agencies involved in Cyber Security Law Enforcement.
