AfriNIC -10
Cairo - Egypt
10 - 22 May 2009

InterContinental, Cairo Citystars Hotel
Cairo, Egypt

AfriNIC Invites

Dear Colleagues,

AfriNIC is pleased to invite you to attend the AfriNIC-10 Public Policy Meeting that is being held jointly with Af-NOG 10-22 May 2009, at the InterContinental Cairo, Citystars Hotel, Cairo, Egypt. The meeting will be attended by AfriNIC members, Policy Makers, regulators, other RIR organizations, academia, and other leaders and stakeholders in the Internet community. There are generally 150-180 participants at the event representing various parts of Africa and other continents. As this is the 10th year anniversary for AfNOG, we are planning a special celebration. This event is open to the public and will be hosted by the National Telecommunications Regulatory Authority (NTRA) of Egypt.

The meeting will include IPv6/LIR training sessions, presentations from Industry leaders, such as ICANN and ISOC on issues that affect the overall success of the Internet throughout Africa, best practices discussions, topics on IGF, IPv6, and DNSsec, Public Policy forums, elections, and social events.

Please visit the meeting site for registration and additional information at http://meeting.afrinic.net/afrinic-10/index.htm. We are still accepting proposals for presentations which should be sent to : meeting@afrinic.net.

We look forward to your participation and thank you for your continued support!
