

AFRINIC IS PLEASED TO INVITE YOU TO CELEBRATE OUR **5TH YEAR** ANNIVERSARY

**Spearheading Internet Technology and Policy
Development in the African Region.**

We request your presence to join in the celebration of AfriNIC's 5th Year Anniversary of Operations. The celebration will take place during the AfriNIC-12 Public Policy Meeting which will be held in Rwanda, Kigali, June 2-3 2010 at the Kigali Serena Hotel. This meeting is back-to-back with AfNOG-11, AfREN meeting, and African-Asian Forum. The entire event is scheduled for 23 May to 3 June 2010.

This event is being hosted by Rwanda Information and Communication Technology Association (RICTA) and the /RDBIT.

During the two-day event, we will hear from others who contributed to the formation of AfriNIC, discuss progress made with IPv6 and hear success stories, implementation of RPKI, Internet Governance issues, hold policy discussions, have board elections, hear from other Internet governing bodies such as ICANN/IANA and ISOC, and workshops on Cyber Security. We will also have a dinner on 2 June 2010 to celebrate the 5th Year Anniversary.

To register for this event or obtain additional information, please visit the meeting website at <http://meeting.afrinic.net/afrinic-12/>.

Proposals are still being accepted for presentations during the AfriNIC meeting and can be submitted to meeting@afriinic.net

We wish to take this opportunity to thank the community for the support and confidence in AfriNIC and we look forward to more successful years of serving you and collaborating with you on Internet development issues in the African Region.

For additional information and registration, please visit the meeting site at <https://meeting.afrinic.net/meeting/afrinic-12/>
