What is myAfriNIC?

MyAfriNIC is a web-based portal for AfriNIC members to manage their Internet resources and account interactions with us.

MyAfriNIC benefits

MyAfriNIC allows members to:

- Maintain up-to-date contact information for their organisation in the WHOIS DB.
- Create alerts for when changes are made to their profile or on other administrative actions.
- Manage ASN and IP address resources.
- Setup reverse DNS delegations.
- View a summary of their organizations' billing history and make payments via credit card.
- Find the status of recent support requests and view correspondence on each ticket.

Conclusion

MyAfriNIC = *best thing since sliced bread

*not representative of official company line. Your mileage may vary.
