PDP Phases

- Creating a Proposal: in collaboration with WG chairs and PDO

- Discussion Phase: at least 4 weeks

- Review Phase: maximum 4 weeks, draft policy and Impact Analysis are added

- Concluding Phase: Last Call for comments, 4 weeks

PDP roles:

- The Working Group (WG) co-chairs of the relevant WG decide how to go ahead in the PDP

- At any point a proposal can be withdrawn, changed or a PDP phase re-run

- Consensus depends on the community's feedback <u>in the Mailing List</u>

PDP completion

- At the end of Last Call, the WG collective makes the decision to declare consensus

- RIPE NCC announces the acceptance of the policy, updates the document and informs about the implementation.
