

Af-IX

African Internet Exchange Point Association

Problem Statement

25 %
non-operational

Af-IX

- Idea launched at AfPIF-3 - JNB 2012.
- ...collaborative environment for African IXP operators
- Mailing list operational and active for 9months.

Af-IX

- Start with low overheads
- Provide source of information about everything IXP in Africa
- Assist with facilities and policies. Develop or adapt BCPs for use.
- more on www.af-ix.net
